## **A Message from your Team at TransTech Systems**

First and foremost, we hope that this letter finds you, your family and your corporate family safe and healthy during these unsettling times.

TransTech Systems has been deemed an essential business by the Empire State Development (ESD) in New York State. The federal government and state government deems that construction companies are essential services to the economy, and TransTech Systems proudly supports and supplies to the construction industry worldwide.

Our TransTech Systems manufacturing and service facility in Latham, NY is producing, servicing and shipping product, and continue to service your needs. To reduce the number of employees, and to abide by the CDC social distancing demands, TransTech Systems is working with a reduced number of onsite employees. Many of our administrative and engineering employees are working remotely.

Guidance and regulations are changing regularly, and the management team at TransTech Systems is monitoring and following very closely. We continue to adapt, modify and adhere to these changes, while continuing to provide top notch service and quality products that our customers have been accustomed to.

---

As always, you can contact our office, Monday – Friday, 8 am – 5 pm EST.
